Academic Projects:

Character animator and layout designer for the 2D   Nov 2019 - April 2021
short film *Ripple.*
- o Animated the merman and mermaid using TV Paint. This includes both keys and in-betweens.
- o Cleaned-up both the merman and the mermaid using Adobe Animate.
- o Designed the style of the backgrounds using Photoshop and creating a 3D model in Maya.

Producer / Assistant Director / Storyboard artist for a   Nov 2019 - Dec 2019
film team who shot movie scenes for the shared class short
film *Greatest Fear.*
- o Wrote out the shooting schedule for the scenes the team was assigned to shoot.
- o Storyboarded half of the scenes the team was assigned using Photoshop, drew out a camera map for the scenes that were storyboarded, and wrote a shot list for the storyboards.

Work Experience:

Photographer / Web designer / Sales Associate for   April 2022 – June 2023
Lizzy's Jewelry & Pawn LLC.
- o Photographed high resolution photos of luxury jewelry and watches to list on Etsy, eBay, and the company's website. I made extra fixes using Adobe Lightroom.
- o Photographed new pictures for the website. This includes new background images and new pictures of the managers; photos were edited using Adobe Photoshop.
- o Designed a new website for the company. This involved working closely with the managers to meet their creative vision. The website was designed using Squarespace.
